

Project Supporter Certificate

CERTIFICATE NO.
7029

ISSUANCE DATE
03/13/2023

This certificate recognizes that **Aleph Zero** supported the **Waste to Fuel: Improving Agriculture and Livelihoods in Uganda** project in the amount of **75 tonnes**, helping to advance climate action and address its 2022 H2 server electricity.

Together with supporters like **Aleph Zero**, Native builds new projects with communities around the world to address climate and improve biodiversity and health outcomes.

Certified
