

Project Supporter Certificate

CERTIFICATE NO.
6857

ISSUANCE DATE
08/15/2022

This certificate recognizes that **Aleph Zero Foundation** supports the **Northern Kenya Rangelands Project** in the amount of **14 tonnes**, helping to advance climate action and address their H1 2022 server electricity footprint.

Together with supporters like **Aleph Zero Foundation**, Native builds new projects with communities around the world to address climate change and improve biodiversity, health and livelihoods.
